

WIS 21 Interchange

Schedule:

July 2011 through August 2013

Location:

WIS 21 (Omro Road)
Winnebago County

About the US 41 Project:

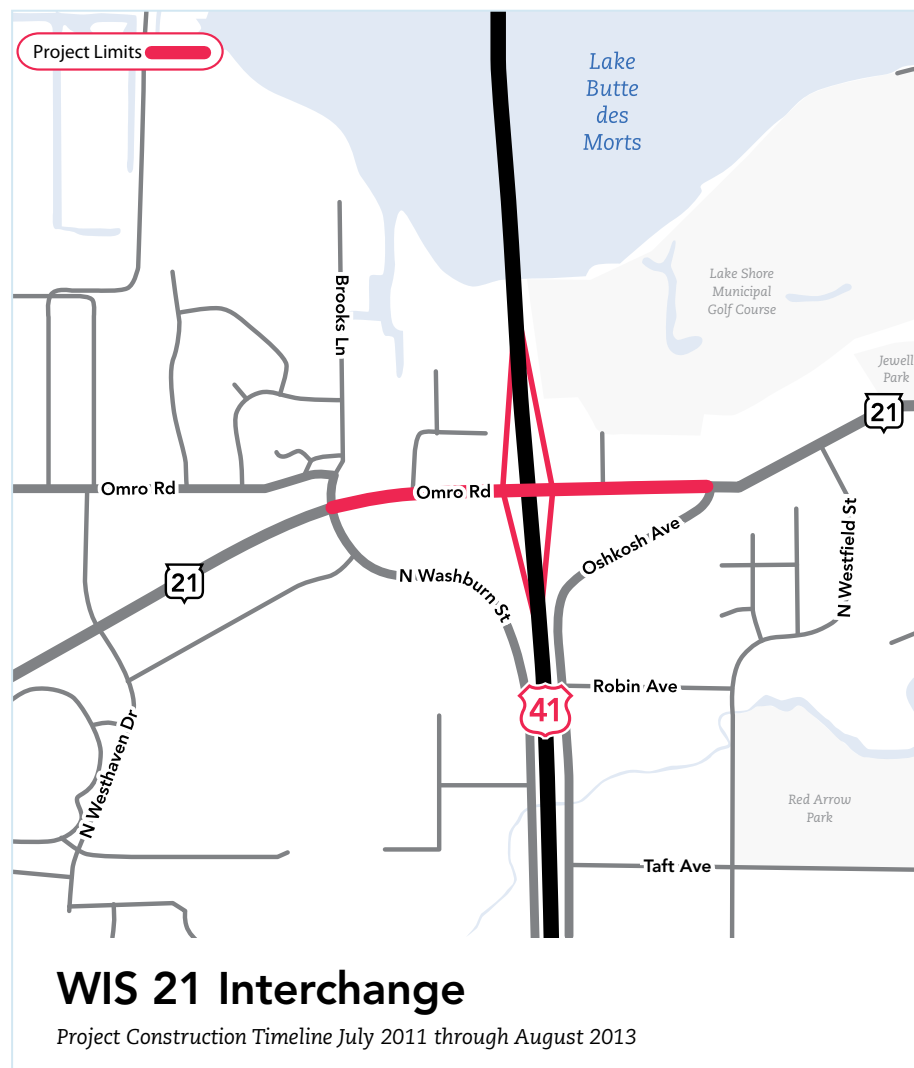

Construction work on the US 41 Project will span over 17 miles of highway in Winnebago County from 2009-2014, and 14 miles in Brown County from 2010-2017.

The project includes:

- traffic lanes expanded from four to six-ten lanes
- reconstruction of 13 interchanges
- improvements to 16 interchanges
- 44 roundabouts
- 17 traffic cameras installed
- widening the Lake Butte des Morts Causeway to eight lanes, plus a bike/pedestrian trail with fishing access

Questions?

- Visit the project website online at www.US41wisconsin.gov
- Call the project hotline at: (920) 492-4120

At the **WIS 21** interchange in Winnebago County WisDOT will:

- Reconstruct the existing interchange and roundabouts on **WIS 21** and ramp ends.
- Reconstruct the interchange so that **WIS 21** passes over **US 41** (**US 41** currently passes over **WIS 21**) including bicycle and pedestrian accommodations.
- Lengthen on- and off-ramps.
- Shift **US 41** lanes west to accommodate the new roadway location across Lake Butte des Morts.
- Shift **WIS 21** south to minimize property impacts and environmental impacts to Lake Butte des Morts.

(See other side for Traffic Impacts)

TRAFFIC IMPACTS

WIS 21 Interchange

July 2011 through August 2013

- 1** The **US 41** northbound exit ramp to **WIS 21** will close after Labor Day for three weeks to prepare for 2012 work.
- 2** The **US 41/WIS 21 interchange** will close March 2012 to November 2012.
- 3** While the **WIS 21** interchange is closed, the posted detour for **WIS 21** traffic traveling eastbound toward Oshkosh to connect with **US 41** will be: **WIS 21** to **WIS 49** in Berlin to **WIS 91** to **WIS 44** to **US 41**.

In 2013 there will be staged construction with night time lane closures on **US 41**.
